Introduction

Mushanga co-operative savings and credit society limited is a member founded, member owned, member used and member controlled financial institution that was registered with the Registrar of co-operatives on 16th July 1981

Mushanga co-operative savings and credit society limited belongs to paid up share holders who own it and have the final authority upon decisions of the society. However, members ease their work through the Board and Supervisory and Audit Committees who are elected at the Annual General Assembly (AGM) by and from the shareholders themselves
